

Colonial Games

Presented by

Ulster County Clerk's Office

One of the goals of the Ulster County Clerk's Office is to reach out to students and involve them in the documented history of our county. Colonial style games give students a chance to step back in time and participate in activities that were popular in the Colonial era.

Each game offers a unique history and skill set, whether it is pure entertainment, like Jacob's Ladder, or a test of dexterity, like Game of Graces. These games also show that many of the activities popular in the 17th and 18th centuries are still popular today.

Students are invited to try their hand at many entertaining and historic games including Cup & Ball, Dominoes, Hoop Rolling and Whirligigs just to name a few.
